The Jammu and Kashmir Board of School Education (abbreviated as JKBOSE) having its divisional offices at Sriangar and Jammu City with various sub offices at district and tehsil levels is an autonomous body under the administration of the government of Jammu and Kashmir. Jammu and Kashmir State Board of School Education was formed on 28th of August 1975, through an act of Legislature, which received the assent of the Governor on 27th of August 1975. The aim of JKBOSE was to reform, recognize, and consolidate school education in the state with following purpose and objectives

Secure that education should relate intimately to the development of potentialities of the youth, to the national needs and to the aspirations of the people by discovering talent and to nurture it;

Promote equality of opportunity by providing necessary facilities;

Help generally to raise the standard of living and productivity of the State and achieve closer and willing participation of the people in a democratic process

Regulate, control and develop education in the Jammu and Kashmir up to the Higher Secondary level by providing varied courses with a view to equipping pupils for different occupations, for education in the universities and other cultural purposes and to examine candidates and to award certificates to successful candidates and doing all other things incidental thereto. In addition it gives affiliation to educational institutions, conducts examinations, publishes text books, prepares syllabus, issues degrees and diplomas.

- a) When was JKBOSE came into existence ? (01 Mark)
- b) Write four main functions of JKBOSE (02 Mark)
- c) Name the places where its two divisional offices locate (01 Mark)
- d) Mention any important purpose of JKBOSE (01 Mark)
