THE INDIAN NAVY QUIZ – THINQ 23

Dear Dr Arun Kumar Mehta,

1. As part of the nationwide celebrations of the 75 years of independence through 'Azadi ka Amrit Mahotsav' and to commemorate India assuming Chairmanship of the prestigious G20, the Indian Navy is conducting a quiz titled 'The Indian Navy Quiz 2023' for school children studying in classes IX to XII. A total of 6425 schools had participated in the previous edition of THINQ-22 and this time more than 10000 schools across the country are expected to participate in 2023. This Quiz promises to be a 'Unique' experience besides being one of the largest, in terms of participants, quiz events to be conducted across the nation.
2. The aim of THINQ-23 is to inspire young school children – the future leaders of India – to be nation builders by inculcating a strong sense of patriotism, dedication and discipline and also a sense of pride in our rich heritage, culture and values.
3. THINQ-23 would be conducted from Aug-Nov 23 in two phases, viz. National Round and International Round. The event will be conducted by a professional Quiz Master. After multiple online elimination rounds, 16 schools will qualify for semi-finals and thereafter eight teams would qualify for the finals. The semi-finals and finals of the National Round would be held at 'Gateway of India' in mid Nov 23. All the finalist will be given insights to the naval way of life onboard ships and submarines based at Naval Dockyard, Mumbai.
4. The jury would identify two best quizzers from the finalists to form 'Team- India' to participate in the International Round and compete against teams selected from G20 and other nine Indo-Pacific countries. The semifinals and finals of the International round would be held at India Gate, New Delhi in end Nov 23 coinciding with the Navy Day Celebrations.

5. Besides being subjected to rich and unique experience, the participants could win attractive prizes at various levels. In addition, all participants would be presented a specially designed participation e-certificate. Travel, boarding and lodging expenses for the 16 semi-finalists, teams for the finals and participants for finals of international round would be arranged by the Indian Navy. Details of the quiz are available on the website www.theindiannavyquiz.in.

6. All schools affiliated to your State Board are cordially invited to participate. I am sanguine that the Govt machinery under you could facilitate maximum participation of students from schools across the state.

7. May I, therefore, request your kind indulgence in dissemination of the information to all State Govt schools. The schools would need to individually intimate their willingness for participation by registering on the site www.theindiannavyquiz.in. I am sure that this event would also encourage children to know more about the Indian Navy and especially motivate all who wish to serve the nation and join the Indian Defence Services. I look forward to your kind support to make this event a huge success.

8. A flier along with details of the event is enclosed herewith.

With best wishes,
